Deadline to Submit: April 18, 2021

The **Honors Jazz Institute**, part of **WCM Jazz & Contemporary Music**, is an all-inclusive, year-round experience for high school students. The program includes small ensemble playing, music production, improvisation/theory class, history/listening sessions, and weekly private lessons. **WCM Summer Jazz Camp** is included. Students have the opportunity to work with visiting guest artists and to perform in the community throughout the year.

Students accepted into the program must commit to Wednesday evening rehearsals and classes. Lessons will be arranged with private instructor.

Entry Level – Auditions open to woodwind, brass, percussion, strings, bass, guitar, piano, and voice students currently in grades 8-11 (high school students in 2021-22)

Audition Material – Students will be expected to prepare all of the requirements as listed in the appropriate category. Time limit is 10 minutes.

Evaluation – Auditions will be judged on the following elements of musical performance: improvisation, accuracy, rhythm, time, technique, stylistic awareness, and harmonic skills. All judges' decisions are final.

Day of Audition – Judges reserve the right to ask students to skip sections of selections for the sake of time. Recorded or live accompaniment is permitted but not provided. A CD player and 3.5mm input for playing recorded accompaniment will be provided. Students will provide judges copies of lead sheets for audition selections.
