

## WCM 2021 Virtual Scholarship Audition Instructions

**Deadline to submit: April 18, 2021**

We ask that students perform and record all prepared pieces that are required for the audition in succession as listed on the audition requirements. If you are a current student and do not have the audition requirements, please reach out to your instructor to receive that information. To complete your virtual audition, you can use recording devices such as a camera, phone, desktop, or laptop computer. Here are a few guidelines to follow when recording and submitting your virtual audition:

### 1) Make sure that your audition is well prepared, and you have a quiet setting to create a successful video audition.

How to create a successful video audition	
1) Introduction	Introduce yourself with your first and last name. Announce any scales and arpeggios if applicable.
2) Camera View	Make sure the adjudicators viewing your audition can see the entire performer.
3) Appearance	Even though this is virtual, dressing in concert/recital attire is required.
4) Instrument	Make sure that your instrument is in tune and concert/recital ready.
5) Questions?	If you have any questions or concerns as you record your video, please reach out to your instructor! They can give the best recommendations regarding your specific instrument. New Students please contact <a href="mailto:tdrews@wcmusic.org">tdrews@wcmusic.org</a> with any audition questions.
